Digital Literacy: Empowering the Next Generation of Professionals

Student Digital Ambassador Program | Shrashti Bansal | VIT Bhopal

VIT BHOPAL

To transform our campus into a digitally fluent community where every student can navigate the online world with professional confidence, technical safety, and ethical integrity.

Key Objectives:

1.Bridge the gap between social media use and professional networking.
2.Promote "Cyber Hygiene" to protect student data.
3.Encourage responsible AI adoption.

VIT BHOPAL

PILLAR 1: Professional Identity (The Digital Resume)

1. Optimizing LinkedIn for internship visibility.
2. Showcasing projects (GitHub/Portfolio) as "proof of work."
3. Maintaining a consistent personal brand across platforms.

VIT BHOPAL

Pillar 2 – Communication & Ethics (Netiquette)

1.The anatomy of a perfect formal email to faculty or recruiters.
2.Understanding the "Digital Footprint"—what you post today impacts your career tomorrow.
3.Combating misinformation and practicing safe digital discourse.

VIT BHOPAL

PILLAR 3: Digital Safety (The Shield)

1. Mandatory 2FA (Two-Factor Authentication) for all academic accounts.
2. Identifying "Phishing" scams targeting students (e.g., fake scholarship links).
3. Secure password management practices.

VIT BHOPAL

Conclusion & Call to Action

Digital literacy isn't just a skill—it's the foundation of a modern career. Let’s build a safer, smarter campus together.
